1. Have you ever been in a “Let’s Make a Deal” real life situation where you had to make a Bold Choice between two things, but you just didn’t know which was best?

Wouldn’t it be nice to see behind the door so that you could know which was the best choice?

2. Give me some examples of life choices vs. death choices that people make every day.
3. Give some examples of choosing according to Satan’s death plan as opposed to choosing according to Jesus’ life plan that you have had to make?
What was the result of the choices you made?
4. Give our group some good advice on how to make the Bold Life Choice and step through the life door rather than the death door. How do you do it?
5. Why do you think it is so hard for some people to walk through The Door of Salvation?
6. Why do we, as Christians, sometime find it hard to follow Jesus’ voice and pass through The Door that leads to life?
7. Who will you invite to church with you this series, so that they can experience abundant life too?
